WILLAMETTE VALLEY PINOT NOIR, 2002

This beautiful wine delivers everything you could want in a Pinot noir. It's a blend of some of our favorite vineyards – Temperance Hill, Goldschmidt, Courting Hill and Justice. It starts out with a nose that brings to mind raspberries, cherries and - maybe best of all - dark chocolate. The palate delivers a tease of dark fruits and brightness, like nature does in a damson plum at peak ripeness. The mouthfeel is rich and complex, but seductively silky in texture. This is the wine that we think most typifies Rob Stuart's style – warm, lush, interesting and utterly drinkable. One might say, this is a sophisticated version of our *big fire* pinot. Try it with a perfectly roasted chicken and you'll know our idea of heaven! *Just 380 cases produced.*
